ENDURA STINGRAY £36

Weight 22g **Lenses** Clear, orange, dark, dark polarized
Case Hard **Contact** www.endura.co.uk

One look at the price and selection of lenses (in a nice hard case) and you know you've just knocked off a great-value purchase. With clear, orange and two tinted lenses (one of them polarized) the £36 price tag is a steal. Bendable ear stems allow a customised fit, and they work well if you draw the stems in round the back of your ear.

Two dark lens options does seem a little excessive – we aren't really complaining – and we found them relatively easy to scratch, but
