

Endura FS260-Pro SL

£11.99

As well as being very comfortable, the Endura socks have a classic look thanks to their simple white and red colour scheme. The socks are made from soft

Weight

38
grams

Meryl Skinlife yarn and the toe section uses flat seams for improved comfort. Cut above the ankle, the five-inch cuff is a good length and the elastic trim holds them in place well. These are very good socks at a competitive price — only a slight lack of breathability stops them from scoring a perfect 10.
