

## ENDURA FS260-PRO II

£47.99

### **SPECIFICATION** SIZES S-XXL

The development of Endura's clothing continues in tandem with its professional team support, meaning that improvements filter down through the range. The FS260-Pro II's stretchy, close knitted construction gives a supportive fit and excellent moisture wicking that keeps you drier for longer, with a full length zip for extra cooling and lighter underarm panels. A zipped valuables pocket and three spacious mesh rear pockets let you stow enough for a long ride, and a silicone gripper keeps the hem in place. Quality construction, plus great fit and function with unfussy styling make the FS260-Pro II unbeatable value for money at this price.
