

ENDURA MT500 BURNER

£48

M W

BEST FOR

Rough and ready trail and enduro mountain biking

Aimed at trail and downhill riders, this long sleeve jersey from Endura has been built tough, with rugged and abrasion-resistant fabric panels. The rest of the body is made up of thin and breathable mesh type polyester for cooling and space to fit under armour below.

VERDICT

A well-specced jersey with intelligent detailing, tough fabrics where it counts and breathable ones where it doesn't
