Endura SingleTrack bike jacket

This new mtb jacket in men's or women's styles is perfect for the trails this spring. Waterproof, with underarm zipped vents, it has a great cut – with longer arms, zipped front pockets and reflective details. The two tone styling makes it stand out, and it comes in a few different colours. The hood is properly shaped and neat so it'll fit under a lid, while it stows away in the collar when you don't need it. Rigorously tested by Scottish Enduro Champ Katy Winton – it gets her seal of approval!
